- Sympathy
- Sad

ЕНМРАТХУНМАР

Used empathy maps to better

understand the stakeholders involved

information.

JOBSTORIES

When I am hungry, I want to eat what I like, so that I

can feel happy and positive.

■ When I am feeling generous, I want to give people gifts

that they will appreciate so that they can feel the love

want to share.

To further help my understanding, I came up with 2 job stories.
